Based on the collective talent of the top 100 mixologists who joined Steve Olson of aka Wine Geek this past April 2009 at the Grand Marnier and NAVAN Mixology Summit, the GM COCKTAILS Application showcases the best of mixology today. iPhone or iPod Touch users can download hundreds of cocktail recipes - at no cost - complete with step-by-step guidelines on techniques and equipment.

Interested in exploring the latest trends in mixology coast-to-coast? The GM COCKTAILS Application offers signature cocktails from a national pool of the country's top 100 mixologists, together with images and a vast dictionary of terms and ingredients. Planning a trip to a new city or researching the best cocktail bars in your area? The iPhone Application allows you to track and locate the featured mixologists - users can make their cocktails at home and read up on their profiles - and plans are underway to add GPS functionality to map the mixologist closest to you.

The GM COCKTAILS Application also offers the latest cocktails from the House of Grand Marnier. Inspired by the 2009 Mixology Summit, bar star Steve Olson and his talented team of mixologists have contributed their insights and recipes from the Summit to the new application. The list of featured mixologists reads like a Who's Who of the country's top talent, including: Steve Olson, Andy Seymour, Eric Alperin, Anthony Alba, Tad Carducci, Leo DeGroff, Michael Flannery, Jeff Grdinich, Don Lee, John Lermayer, Aisha Sharpe, Willy Shine and Danny Valdez.

To request a compilation of recipes and trends as revealed by the mixology experts at the 2009 Grand Marnier and NAVAN Mixology Summit, please contact Helen Gregory or Rebekah Polster, Gregory White PR at 718-403-0097.

About the Grand Marnier and NAVAN Mixology Summit: The Grand Marnier and NAVAN Mixology Summit (www.mixologysummit.com) is an annual conference celebrating the craft of mixology and the industry leaders shaping the trade. 100 top mixologists are selected from a pool of thousands nationally to participate in the three-day event held in Vail, Colorado each spring. Hosted by spirits and wine expert, Steve Olson, the Mixology Summit includes consulting mixology labs, expert seminars, cocktail tastings and a gala dinner.

Created in 1880 by Louis-Alexandre Marnier-Lapostolle, Grand Marnier is the flagship liqueur of the House of Grand Marnier: the world's most premium orange liqueur. A blend of exotic bitter oranges and the finest Cognac, Grand Marnier relies on a secret recipe passed down through six generations of the Marnier Lapostolle family. Grand Marnier is the base ingredient of many inspired cocktail creations, and is also enjoyed on-the-rocks and neat. Exclusively imported by Moët Hennessy USA, Grand Marnier retails at \$38.00 per 750-ml bottle, and is also available in two higher marques: the Grand Marnier Cuvee du Centenaire (\$155.00) and the Grand Marnier Cuvee du Cent Cinquantenaire (\$240.00). Visit www.GrandMarnier.com for more information.

NAVAN Natural Vanilla Liqueur is the most recent creation from the House of Grand Marnier, world renowned for its expertise in making ultra premium liqueurs. Benefiting from Grand Marnier's unique heritage and craftsmanship, NAVAN is made exclusively with natural vanilla from Madagascar, considered the world's best. As such, NAVAN adds a natural vanilla twist to classic cocktails such as The Modern Margarita, yet is smooth and complex enough to be enjoyed neat or on the rocks. Exclusively imported by Moët Hennessy USA, NAVAN retails at \$39.00 per 750-ml bottle. Visit www.NAVANworld.com for more information.
